

Princess Margriet of the Netherlands (Margriet Francisca; born 19 January 1943) is the third daughter of Queen Juliana and Prince Bernhard of the Netherlands. As an aunt of the reigning monarch, King Willem-Alexander, she is a member of the Dutch Royal House and currently eighth and last in the line of succession to the Dutch throne.

Princess Margriet has often represented the monarch at official or semi-official events. Some of these functions have taken her back to Canada, the country where she was born *de facto*, and to events organised by the Dutch merchant navy of which she is a patron.
